

## DriveTime Used Car Sales Albuquerque

If you're in the market for great used car sales, Albuquerque DriveTime is the place to be!

DriveTime is a company that focuses on finding high quality used cars for people who have a history of poor credit. Some auto dealers may promise to sell you a car regardless of your credit situation, but that's not always true. We're different than those other auto dealers because at DriveTime we actually TRY to get people with less-than-perfect credit into a great used car! DriveTime has the used car sales Albuquerque residents can trust.

We know how draining it can be to shop for Albuquerque used car sales when you have bad credit, but if you shop at DriveTime you have no reason to worry. You have a great chance to get approved with DriveTime because we do 99% of our own financing! Why spend anymore time getting told that you don't approve at other auto dealerships? Our financing is done at each of our store locations, so you will never have to deal with banks or lenders hassling you about your credit score. Once you finance with DriveTime, your loan will always stay with us, which means that we will be by your side every step of the way.

Looking for used car sales? Albuquerque DriveTime is sure to have what you want!

We are known for having an atmosphere that is different from your typical auto dealer. All of our Albuquerque DriveTime stores have a team of employees who make you feel right at home and the dealership has a very welcoming environment. Our staff is committed to getting you into a vehicle that you are happy to drive and that will help to improve your credit score. We believe that people should not be punished for financial decisions they made in the past, but instead should be given the opportunity to better their future credit score. These are some other important things that make DriveTime unique:

- We only sell the highest quality used vehicles that we trust are safe and reliable
- We have ways that you can lower your interest rate and improve your credit score
- We only sell cars that have gone through our rigorous 53-point inspection process
- We provide an industry leading warranty with the purchase of every vehicle
